FREQUENTLY ASKED QUESTIONS

When will this new award program begin?

The first awards will begin with the 2016 marching band season and will be handed out at the marching band banquet in November 2016. Boosters will provide (pay for) patches to individuals which are completing their *first* year / season of any activity (ie: MB, IP, WG, JB, SCB, PB Musical).

Do I need to wait to order a letter jacket or banner?

No. You can order letter jackets or banners at any times. Generally, letter jackets are not worn by students until a letter is earned. Nevertheless, you can begin placing pins on them in the meantime.

What if my student has chevrons already?

You are more than welcome to continue adding chevrons to their jacket. The chevrons may be purchased in the band office for \$5.00 each if they are lost by student. A student earns 1 chevron for each completed calendar year in band.

How can I get service bars or stars for past years in activities?

Service Bars or Stars have been discontinued, but may still be purchased, while supplies last. Please complete the **Past Awards Order Form** that can be found at www.carrollbands.org.

Those awarded pins from the previous awards system will keep the pins as it serves as a representation of one's first year in each activity. However, students may to obtain a patch (in place of a previously received pin) to recognize their prior year participation for \$7.50 per patch. Please complete the **Past Awards Order Form** that can be found at www.carrollbands.org.

I have seen other students with different patches on their jackets. How do I get those?

ISSMA, BANDS OF AMERICA, IHSCGA, IPA, and WGI all have patches for sale at their contest. Talk to an upperclassmen parent for help in finding these vendors.

Will any patches be provided from these events?

Students will receive a rocker type patch from BOA events. The large event patch, however, is not included.

I participated in Marching Band as a Middle School Student. Do I earn points towards a letter?

Yes. Middle School students participating in an **entire** season of Marching Band will earn points towards their letter, consistent with the high school student points. Some exceptions may apply to those middle school students that are ancillary performers.
